10.16.2012

conversation w/ ellen about status & plans

not close to having

draft planting plans – comments given

no site furniture, lighting irrigation

partial signage – comments given

ball in their court

10/24/2012 4:15 –

W.P.H. Brad, John, Stephen

I need to respond to each detail he raises in all his letters. We need to be more nitpicking than Mark. We can do it better than he can.

✱ Set up a meeting with Mark

DAVID THOMSON
