RE: Permit #19-85(B)
Annual Report - Scott's Use of the Public Pavilion at Jack London Square 2014

Dear Ms. Klein:

In accordance with the above referenced permit, we are writing to report on Scott's Seafood's usage of the Public Pavilion at Jack London Square in 2014.

In an effort to comply with the permit reporting requirements, we have instructed our security officers to track Scott's usage of the pavilion by noting times and dates of when the pavilion wall structure is in place and when events are in progress.

We have audited all documentation provided by Universal Protection Services and per the attached schedules, can report that the pavilion was used by Scott's Seafood for private events a total of 97 days in 2014, of which 47 days were weekend nights and 39 days were weekend days.

In summary, it appears that Scott's has violated provisions of the permit including:
1. Exceeding the number of private events allowed under the permit;
2. Exceeding the number of consecutive days that the area is allowed to be used;
3. Exceeding the number of hours before and after events that the walls can be in place.

Upon review of this information, please let me know if you any questions or require further information.

Sincerely,
CUSHMAN & WAKEFIELD OF CA, INC
