SUBJECT: **Listing of Pending Administrative Matters**
(For Commission consideration on September 1, 2011)

This report lists the administrative permit applications, federal consistency actions, marsh development permits in the Secondary Management Area of the Suisun Marsh, statewide permit actions, minor amendments to the Suisun Marsh Local Protection Program, and emergency permits that are pending with the Commission. The staff members to whom the matters have been assigned are indicated at the end of the projects' description. Inquiries should be directed to the assigned staff member prior to the Commission meeting.

Administrative Permits and Federal Consistency Actions

The following consistency determination has been filed and is presently pending with the Commission. The Executive Director will take the action indicated on the matter unless the Commission determines that it is necessary to hold a public hearing.

Applicant: United States Army Corps of Engineers
San Francisco District
1455 Market Street, Floor 15, 1570H
San Francisco, California 94103-1398

BCDC Consistency Determination No. C2011.004.00

Filed: 08/15/11
75th Day: 10/29/11

Location: In the Bay and within the 100-foot-shoreline band, at Pier 36, located at the Embarcadero between Brannan and Townsend Streets, in the City and County of San Francisco.

Description: To allow for the construction of the Brannan Street Wharf (a proposed public park over the Bay) by the Port of San Francisco, remove the Pier 36 shed building and pier structure, remnants of an associated wharf extension at the end of the pier, and sections of the marginal wharf joining the pier to the Embarcadero.

The project will result in the removal of approximately 150,000 square feet (2,556 cubic yards) or 3.44 acres of Bay fill, 447, 42-inch-in-diameter concrete caisson piles, and 400 remnant creosote-treated piles to allow for the future construction
