Timeline

- May 4, 2011 BCDC Staff Notifies Mr. Sanders of Violations
- June 22, 2011 – Amendment Four (Time Extension)
- Early 2012 – Agreement to Allow Installation of Temporary Fencing of Phase 3 Areas
- September 9, 2012 -- Proposed Amendment Five, Version 1 (Authorized Temporary Fencing)
- May 20, 2013 -- Proposed Amendment Five, Version 2
- June 6, 2013 -- Proposed Amendment Five, Version 3

Timeline

- August 15, 2014 – Deadline to complete all work (per Amendment Four time extension) expires
- September 4, 2014 -- Proposed Amendment Five, Version 4
- September 14, 2015 -- Proposed Amendment Five, Version 5
- August 16, 2016 -- Amendment Six – Authorizes Phase 2 (Boatyard) construction activities but did not incorporate provisions of Proposed Amendment Five

Timeline

- December 8, 2016 BCDC staff site visit; informed Mr. Sanders that preparing Violation Report/Complaint
- January 5, 2017, Mr. Sanders applies for permit amendment to install temporary fencing in Phase 3 areas
- May 9, 2017, Amendment Seven issued, authorizing temporary fencing
- July 5, 2017, Unauthorized signs restricting public access removed and Phase 1B public access areas opened except guest docks

Terms of Proposed Order

- Make All Phase 1B and Phase 2 Public Access Areas Available For Unrestricted Public Access (Special Condition II.B. 1)
 - Remove unauthorized gates and “Members and Guests Only” signs from gangways to the guest docks and provide public access to guest docks (including to pedestrians)
 - Remove unauthorized "Westpoint Harbor Boat Launch" sign
 - Charge no fee to use public access improvements

Terms of Proposed Order

- Make All Phase 1B and Phase 2 Public Access Areas Available For Unrestricted Public Access
 - Keep Public Restrooms Open at All Times (subject to approved rules and restrictions)
 - Require 101 Surf Sports to Cease and Desist from Storing Boats or Conducting Activities on Public Access Areas

Terms of Proposed Order

- Submit Signage Plan for Review and Approval, and Install Approved Signs
- Submit Plans for Public Access Improvements for Review and Approval, and Complete Approved Improvements
 - Plans for Public Walkways
 - Plans for 170,500 square feet of landscaping, irrigation and drainage
 - Remove trees planted without approval along Westpoint Slough
- Submit Plans for Review and Approval for All Site Furnishings, Including Lighting, Seating, Tables and Trash Receptacles
- Submit As-Built Plans for Phase 2 Improvements Installed Without Plan Review and Approval

Terms of Proposed Order

- Remove Unauthorized Improvements
 - Gate and Fence at NW Corner of Site (at access to Pacific Shores Center)
 - Wood-Enclosed Changing or Storage Area Associated with 101 Surf Sports in Public Parking Spaces
 - Fenced Garden Area, Wood Storage Shed, Planters and Construction Materials in Dedicated Public Access Area
 - Asphalt Pad in Dedicated Public Access Area
 - Trees Planted along Westpoint Slough

Terms of Proposed Order

- Application to Amend Permit to Request After-the-Fact Authorization
 - PG&E transformers or utility structures and any other obstructions in dedicated public access areas
 - Rower's dock
 - Use of rower's dock by a business to rent boats to public
 - Any accessory facilities or structures associated with use of rower's dock (storage container, changing area, picnic tables, portable toilet)
 - Solar and wind-powered container in parking lot
 - Three floating docks supporting large storage tents
 - Use of guest docks or other location to moor public agency boats
 - Gates installed on gangways to private docks

Terms of Proposed Order

- Install Signs and Buoys in Westpoint Slough (Special Condition II.H)
 - Buoys to identify "no wake" speed zone, delineate center of channel, and discourage boats from deviating out of channel
 - Buoy system 100 feet from salt marsh on Greco Island with approved signs informing public of access restrictions to Refuge
- Submit Plan to Provide Visual Barriers to Adjacent Salt Pond, and Complete Visual Barriers (Special Condition II.K)
- Provide Shorebird Roost Habitat Mitigation (Special Condition II.F)
- Provide Non-Tidal Wetlands Mitigation (Special Condition II.G)

Terms of Proposed Order

- Provide Annual Reports on Live-Aboards (Special Condition II.P)
- Provide Certification of Contractor Review (Special Condition II.U)
- Submit Monthly Status Reports and Further Review by Enforcement Committee
 - Monthly Status Reports Re: Activities Undertaken to Comply with Order
 - Enforcement Committee Hearings No Later than April 30th and October 31th to Report on Status of Compliance with Permit and Order

Administrative Civil Penalty

- 35 separate violations grouped into a total of 22 violations; no penalty for four violations
- Proposed penalty of \$513,000 for 18 violations (all but one capped at \$30,000 statutory maximum)

Penalty Factors

- Respondents prevented and discouraged public access for six years
- Violations had substantial adverse impacts on required public access
- Violations likely had and continue to have adverse impacts on bay resources
- Mr. Sanders has refused to cooperate with staff
- High costs to state
- Respondents benefitted economically from violating permit
- Respondents do not assert inability to pay the proposed penalty
