If you meet the requirements stated on the reverse, you may take this examination, which is competitive. Possession of the entrance requirement does not assure a place on the eligible list. Your performance in the examination described on the other side of this bulletin will be compared with the performance of the others who take this test, and all candidates who pass will be ranked according to their scores.

The California Coastal Commission and the San Francisco Bay Conservation & Development Commission reserve the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

Eligible lists: Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-departmental promotional, 2) departmental promotional, 3) multi-departmental promotional, 4) multi-service promotional, 5) open eligible list. When there are two lists of the same kind, the older must be used first. Eligible lists will expire in one to four years unless otherwise stated on this bulletin.

General Qualifications: Candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, and ability to work cooperatively with others; and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required. In open examinations, investigation may be made of employment records and personal history and fingerprinting may be required.

Interview Scope: If an interview is conducted, in addition to the scope described on the other side of this bulletin, the panel will consider education, experience, personal development, personal traits, and fitness. In appraising experience, more weight will be given to the breadth and recent timeframe of pertinent experience and evidence of the candidate's ability to accept and fulfill increasing responsibilities than to the length of her/his experience. Evaluation of a candidate's personal development will include consideration of her/his recognition of her/his own training needs; her/his plans for self-development; and the progress she/he has made in efforts toward self-development. Please see “Questions and Answers About the Coastal Program Analyst Series” on our website at www.coastal.ca.gov for more information regarding examination preparation.

Veterans' Preference Credits: Veterans’ preference credits will be added to the final score of all competitors who are successful in the examination and who qualify for and have requested these points. Due to changes in the law, which were effective January 1, 1996, VETERANS WHO HAVE ACHIEVED PERMANENT CIVIL SERVICE STATUS ARE NOT ELIGIBLE TO RECEIVE VETERANS’ CREDITS. Directions for applying for veterans' preference are on the Veteran Preference Application form, which is available from the State Personnel Board office, written test proctors and the Department of Veteran Affairs, P.O.
