The Coastal Program Manager examination, when scheduled, will be given on the same day as the Coastal Program Analyst III examination.

LOCATION SELECTION: In Item #1 on the application, write the city where you prefer to take the examination. The examination will be held in San Francisco and Long Beach, California.

If you have a disability and need special testing arrangements, mark the appropriate box in Item #2 on the application and you will be contacted to make specific arrangements.

Note: Accepted applicants are required to bring either a photo identification card or two forms of signed identification to each phase of the examination.

Salary Range: $5,181 - $6,437 per month

CAREER CREDITS AND VETERANS PREFERENCE CREDITS DO NOT APPLY IN THIS EXAMINATION.

REQUIREMENTS FOR ADMITTANCE TO THE EXAMINATION

NOTE: All applicants must meet the education and/or experience requirements for the examination by the written test date.

Qualifying experience may be combined on a proportionate basis if the requirements stated below include more than one pattern and are distinguished as “Either I, “or II, “or III, etc. For example, candidates possessing qualifying experience amounting to 50% of the required time of Pattern I, and additional experience amounting to 50% of the required time of Pattern II, may be admitted to an examination as meeting 100% of the overall experience requirement.

Either I

One year of experience in California state service performing coastal planning, managing or development duties in a class at a level of responsibility equivalent to Coastal Program Analyst II. (Promotional candidates who are within six months of satisfying the experience requirement for this class will be admitted to this examination, but they must fully meet the experience requirement before being eligible for appointment.)

Experience: Four years of experience (1) in planning, managing or regulating uses of land or water which must have included substantial technical review of permit applications or the formulation of plans that relate to the environmental impact of proposed development; or (2) in providing special technical and research assistance in environmental resource management programs. (A Master’s or Doctoral Degree in Urban, Regional or Environmental Planning, Ecology, Marine Biology, Geology, Geography, Coastal Management, Environmental Science, Natural Resource Management, Public Policy or a related field; or a Juris Doctor degree from an accredited law school may be substituted for one year of the general experience requirement. Both substitutions may be applied. Postgraduate educational substitution for experience may not exceed two years.) and

Education: Equivalent to graduation from college. (Additional qualifying experience may be substituted for the required education on a year-for-year basis.)

ADDITIONAL DESIRABLE QUALIFICATIONS

In appraising the relative qualifications of candidates at all levels, consideration will be given to the extent and type of pertinent education and/or experience beyond that required under “Minimum Qualifications”. Experience and/or college level courses in coastal or ocean resource management, coastal or ocean resources, wetlands studies, geology, ecology, planning and zoning law in California or similar fields are particularly pertinent.

Coastal Program Analyst III candidates who demonstrate an ability to independently conduct complex and difficult technical investigations and studies on issues of importance to the State will be considered more competitive.

THE POSITION

This is typically the working supervisor level. Under direction, incumbents (1) direct the work of a specialized headquarters unit and personally perform the most difficult and complex work; or (2) direct a district unit engaged in permit review, enforcement or land use planning and personally perform the most difficult and complex work; or (3) function as a non-supervisory staff specialist in a difficult and sensitive program development, policy or coordination position which is either critical to the basic mission of a Commission or of statewide significance.

Positions exist statewide in San Francisco, Arcata, Santa Cruz, Ventura, Long Beach, San Diego and Sacramento with the California Coastal Commission and in San Francisco with the San Francisco Bay Conservation and Development Commission.

ELIGIBLE LIST INFORMATION:
The names of successful competitors will be merged into the existing eligible list for Coastal Program Analyst III. A candidate may not compete more than once in a 12-month testing period for the examination. The eligible list will be used to fill positions with the California Coastal Commission and the San Francisco Bay Conservation and Development Commission. Candidate’s list eligibility will expire 24 months after it is established unless the needs of the service and conditions of the merged list warrant a change in this period.

GENERAL INFORMATION
It is the candidate's responsibility to contact the Human Resources office of the California Coastal Commission at (415) 904-5430 or toll-free at (866) 831-2540 or via email at HumanResources@coastal.ca.gov one week after the final filing date if she/he has not received notification (either a phone call or written notice) of interview.

If a candidate's notice of oral interview or performance test fails to reach her/him prior to the day of the interview due to a verified postal error, she/he will be rescheduled upon written request.

Applications are available at the California Department of Human Resources, the California Coastal Commission and the Employment Development Department. Applications may also be obtained via the California Coastal Commission Internet website at www.coastal.ca.gov or the California Department of Human Resources’s website at: www.calhr.ca.gov.

If you meet the requirements stated on the reverse, you may take this examination, which is competitive. Possession of the entrance requirement does not assure a place on the eligible list. Your performance in the examination described on the other side of this bulletin will be compared with the performance of the others who take this test, and all candidates who pass will be ranked according to their scores.

The California Coastal Commission and the San Francisco Bay Conservation and Development Commission reserve the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

Examination Locations: When a written test is part of the examination, it will be given in such places in California as the number of candidates and conditions warrant. Locations of interviews may be limited or extended as conditions warrant.

Eligible lists: Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-divisional promotional, 2) departmental promotional, 3) multi-departmental promotional, 4) service wide promotional, 5) open eligible list. When there are two lists of the same kind, the older must be used first. Eligible lists will expire in from one to four years unless otherwise stated on this bulletin.

General Qualifications: Candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, and ability to work cooperatively with others; and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required. In open examinations, investigation may be made of employment records and personal history and fingerprinting may be required.

Interview Scope: If an interview is conducted, in addition to the scope described on the other side of this bulletin, the panel will consider education, experience, personal development, personal traits, and fitness. In appraising experience, more weight will be given to the breadth and recency of pertinent experience and evidence of the candidate’s ability to accept and fulfill increasing responsibilities than to the length of her/his experience. Evaluation of a candidate’s personal development will include consideration of her/his recognition of her/his own training needs; her/his plans for self-development; and the progress she/he has made in efforts toward self-development.

High School Equivalence: Equivalence to completion of the 12th grade may be demonstrated in any one of the following ways: 1) passing the General Educational Development (GED) Test by scoring at least 35 on each of the five sub-tests and averaging 45 for all the sub-tests; 2) completion of 12 semester units of college-level work; 3) certification from the State Department of Education, a local school board, or high school authorities that the candidate is considered to have education equivalent to graduation from high school; or 4) for clerical and accounting classes, substitution of business college work in place of high school on a year-for-year basis.
