

# UPDATE ON RICHARDSON'S BAY ANCHORAGE MANAGEMENT

April 9, 2020

BCDC Enforcement Committee Meeting

Adrienne Klein

# Outline

- Enforcement Committee Direction and BCDC Staff Action
- Senator McGuire's Involvement
- City of Sausalito and RBRA Presentations
- Questions for Enforcement Committee Consideration and Discussion
- Potential Actions to Further Resolution

# Enforcement Committee Expectations

- November 20, 2019 EC Meeting Direction
- Staff action: December 3, 2019, letters posted to RBRA and City of Sausalito outlining the Enforcement Committee's expectations
  - Enforce locally adopted time limits to halt the influx of vessels into Richardson's Bay
  - Remove all unoccupied vessels and marine debris
  - Submit a plan with reasonable timelines to remove all occupied vessels
  - Submit a plan to mitigate habitat impacts
  - Submit monthly reports with progress in meeting these expectations
- Plans expected by March 31, 2020

# Outcome of Senator McGuire Discussions

- April 2, 2020, Telephone call with Senator McGuire and representatives from the City of Sausalito and the RBRA
- Support for permanent housing on land
- Restore the Bay – improve water quality and restore eelgrass
- Enhanced enforcement

# City of Sausalito and RBRA Presentations

# Questions for Committee Consideration

- Has the City of Sausalito fully responded to BCDC's December 3 letter?
- Has the RBRA fully responded to BCDC's December 3 letter?
- What additional information should be in each agency's plan?
- What are reasonable timelines to remove vessels from RB and restore damaged eelgrass habitat? Is it appropriate to do this in phases?

# Potential Actions to Further Resolution

- BCDC staff cooperation in discussions with Senator McGuire, RBRA and City of Sausalito effort
- Commission-issued order to RBRA, Marin County, City of Belvedere, City of Tiburon, and City of Mill Valley (stipulation or an agreement are options)
- Commission-issued order to City of Sausalito (stipulation or an agreement are options)

# Discussion
