**Subject:** Union Point Park in shambles

Hello,

Is there ANY maintenance schedule in the park? The place is utterly trashed and a friend even found a hypodermic needle in the CHILDRENS PLAY AREA....Come on! I know this may not be Rockridge but can even the slightest effort be made?

These are just a FEW pics of the trash everywhere --- It's out of control and driving us crazy. There's barely any parking because of car-camping, prostitution and drug use is going up. I no longer feel safe going to and from the marina -- someone even vandalized the entry gate trying to break into the Marina.

IS THERE ANY PLAN AT ALL? TRASH IS EVERYWHERE
