Rescheduled Hearing Concerning Proposed San Francisco Bay Plan Amendment No. 3-19 to Review and Possibly Add a Policy to Bay Plan Map 4

On June 6, 2019, the San Francisco Bay Conservation and Development Commission voted to initiate an amendment to the *San Francisco Bay Plan* Map 4 Policies. The proposed amendment would supplement Bay Plan Amendment 1-17 by adding a Bay Plan Policy to Plan Map 4, regarding completion of the Middle Harbor Enhancement Project at the Port of Oakland. Bay Plan Amendment 1-17 addresses the ramifications of climate change for Bay ecosystems by updating several sections of the Bay Plan, including Fish, Other Aquatic Organisms and Wildlife, Tidal Marshes and Tidal Flats, Subtidal Areas, Dredging, Protection of Shorelines with new findings and policies. The initial descriptive notice adopted by the Commission set the hearing date to July 18, 2019.

Notice is hereby given that a public hearing on the proposed amendment **will be held instead on September 5, 2019**. At least thirty days prior to the initial public hearing, the staff will prepare and mail a staff report and preliminary recommendation on the proposed amendment. Interested persons may request the staff report and present written comments. Oral comments may be presented at the Commission meeting or thereafter as directed by the Commission.

This **Notice** is prepared in conformance with Section 66652 of the California Government Code, Sections 11001 and 11004 of Title 14, Division 5 of the California Code of Regulations, and Section 312 of the federal Coastal Zone Management Act of 1980. If, after the public hearing, the Commission adopts an amendment to the *San Francisco Bay Plan* described in this notice and subsequent staff report, such amendment will be processed as a routine program change of the Commission's federally approved coastal management program for San Francisco Bay. Any federal agency interested, therefore, should provide comment to the Commission.

Whether the Bay Plan should be amended as described above, and in what manner, will be the subject of the public hearing and Commission deliberations.
