Tentative Agenda

1. Welcome and Introductions

Patricia Showalter (Chair) will open the meeting and conduct commissioner roll-call.

2. What are the Impacts of Sand Mining on Sand in Transport?

Review findings of Anchor QEA's report "Research to Understand Impacts of Bay Sand Mining on Sand Transport in San Francisco Bay and the Outer Coast: Sand Budget and Transport in San Francisco Bay" and its relevance to this question, and policies questions related to the findings.

(Brenda Goeden) [415/352-3623; brenda.goeden@bcdc.ca.gov]

3. What are the Impacts of Sand Mining on the Bay Bottom?

Review findings of US Geological Survey's report "Contributions of erosion, deposition, and human activities to a change in sand storage in the bed of San Francisco Bay, California" and its relevance to this question, and policies questions related to the findings.

(Brenda Goeden) [415/352-3623; brenda.goeden@bcdc.ca.gov]

4. Public Comment

5. Adjournment

Website Access to Sand Studies Commissioner Working Group Meeting Materials. Materials dealing with matters on the Sand Studies Commissioner Working Group meeting agendas may be found on [BCDC's website](#). Simply access Sand Studies Working Group meetings under the “Commission” tab on the website, select Commissioner working groups, then Sand Studies Commissioner Working Group, and date of the meeting.

How to Provide Comments and Comment Time Limits. If you would like to comment at the beginning of the meeting or on an item scheduled for public discussion, you may do so by emailing comments in advance to [public comment](#) until 10 a.m. on the day of the meeting, or participating via ZOOM during the meeting.

If you plan to participate through ZOOM, please use your ZOOM-enabled device and click on the “raise your hand” button, and then wait to speak until called upon. If you are using a telephone to call into the meeting, **select *6 to unmute your phone** and you will then be able to speak. We ask that everyone use the mute button when not speaking. It is also important that you not put your phone on hold. Each speaker may be limited to a maximum of three minutes or less at the discretion of the Chair during the public comment period. Any speakers who exceed the time limits or interfere with the meeting may be muted by the Chair. It is strongly recommended that public comments be submitted in writing so they can be distributed to all Sand Studies Commissioner Working Group members in advance of the meeting for review. You are encouraged to submit written comments of any length and detailed information to the staff prior to the meeting at the email address above, which will be distributed to the Sand Studies Commissioner Working Group members.

Questions and Notice of Future Materials. If you have any questions concerning an item on the agenda, would like to receive notice of future meetings, or obtain future materials related to an agenda item, please contact the staff member whose name, email address and direct phone number are indicated in parenthesis at the end of the agenda item.

Access to Meetings. If you require special assistance or have technical questions, please contact staff at least three days prior to the meeting via email at helpdesk@bccdc.ca.gov. We will attempt to make the meeting accessible via [Zoom accessibility capabilities](#), as well.
