Dear Matthew, Amanda and Isabel,

**.Re: Response Time Extension to Violation Report Extension / Request.**

This is Jim Armstrong, manager for Beattie Trust following up on your e-mail of 11/12/25, received yesterday ...enclosed. RE: ER2018.015.00.

I am the property manager for Beattie Trust.

This communication is to request a brief extension of time to respond to your e-mail notice indicating a response due by 11/14/25. (enclosed).

In connection with this request, Beattie Trust has retained a professional planning consultant to assist with said requested response. For us to complete such and per our consultants request we need to request more information.

Specifically, while we've received your recent e-mail e-mail communications, we did not receive other referenced mailed communications including the violation report, and other forms referenced in your e-mail which we need to provide your requested response. The e-mail we received which included a link to your violation report, did not work as the link had expired. Please e-mail to us that information so we can move forward with our response, which we intend to do as soon as possible.

We would greatly appreciate your consideration of granting this brief extension request with the mutual goal of satisfactorily resolving any concerns as expeditiously as possible. While we've spent a considerable amount of time in researching literally hundreds of pages of standards we ultimately determined that we need the professional consultant to assist us in completing this process and as soon as possible.

Thank you for your consideration. **Pls see attached docs in the next e-mail.**

Sincerely,

Jim Armstrong / Manager. C/O: Beattie Trust.
