Hello,

I am writing to express my concern for the city's plans to charge for Berkeley Marina Parking. A charge for parking at the South cove East, south cove west, and J/K lots would greatly impact my ability to access the waterfront due to my current financial situation as well as many others (especially students) who enjoy the water activities, walking trails, and surrounding scenery.

Please take this request into consideration and I hope that this can remain a beautiful and accessible area for all in Berkeley.

Thank you,

Kristel Peralta
