

# EJCWG Direction Discussion

By Dalila Adofo

# EJCWG Mission

The Environmental Justice Commissioner Working Group was created in 2018 to advise staff during the San Francisco Bay Plan amendment process to incorporate findings and policies regarding social equity and environmental justice.

# Recent EJ Program Accomplishments

## Education and Awareness

- 2 Shoreline Leadership Academies

## EJ Mapping

- CBO/Community Vulnerability Tool

## EJ and Permitting

- EJ/SE and Meaningful Community Engagement Guidance for staff
- EJ/SE Implementation on permits such as Richmond San-Rafael Bridge

## EJ Advisor Program

- Secured funding and contracted with Coastal Quest for continuation of program through July 2028

## Continued EJ Partner Coordination

- Interagency Tribal Training with Coastal Commission and State Coastal Conservancy

# Questions

How does the **EJCWG mission** need to **evolve**?

What are **3 to 4 areas** that EJCWG can have the **greatest impact**?

What is the **ideal format** to bring topics to EJCWG and **foster collaboration** with **EJ Advisors**?

What would **meaningful progress** look like by the **end of next year**?

Can **EJCWG** move from bimonthly to **quarterly**?
